The BHS Second Chance project rehomes neglected, mistreated and rescued horses, giving them a second chance to discover a better life at a BHS Approved Centre. Centres are home to BHS-qualified professionals who are equipped with the understanding, patience, skills, and knowledge needed to assist and rehabilitate those horses in desperate need.

These horses go on to play pivotal roles in many peoples journey with horses. They change the lives of people from all walks of life, after they have been given a second chance with BHS Centres.

The project has successfully rehomed over 100 horses since the programme began, including Pinkmead's lovely Horrace but with numbers at an all-time high, donations are greatly received.
